

2. International Symposium on

Trends in Melanoma Research

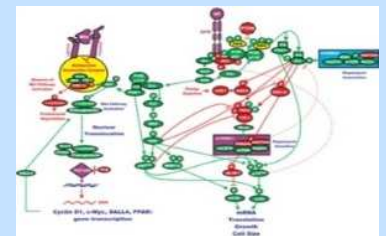

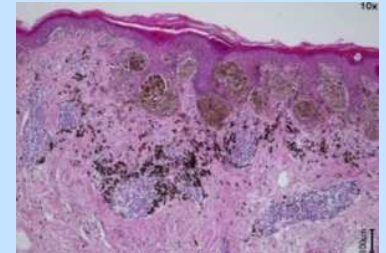

Photo by Karsten Dörre

Regensburg, 11th – 13th December 2014

Organized by the **Melanoma Research Network**

The Melanoma Research Network "Molecular Mechanisms of Development and Progression of Malignant Melanoma" is organizing an International Symposium on "Trends in Melanoma Research". Our network of 13 research projects was initiated 2007 and is funded since then by the German Cancer Aid.

We would be very happy to welcome you at our outstanding meeting focusing on the latest developments in melanoma research!

Deadline for abstracts for posters and selected talks: **30th September 2014**
Register NOW to benefit from a reduced fee at www.melanomverbund.de !
